

6350

LOW VIBRATION AIR SAW

FEATURES & SPECIFICATIONS

- 9,500 stroke/minute motor provides fast cutting action
- The internal damping system reduces the vibration level to 2.5m/sec²
- Comes complete with 18, 24 and 32 teeth power saw blades
- The metal blade retainer increases reliability
- The rotational 360° rear exhaust muffler allows exhaust air to be directed as preferred
- Compact design with 8" overall length and low weight of only 1.13 lbs. providing comfortable operation and work area access
