

M500

Comfortable and Form Fitting for Long Wear

APPLICATIONS

Metal Fabrication
Use as a Liner Glove
Automotive
Aerospace
Appliance Manufacturing
Small Parts Assembly
Quality Control & Inspection

FEATURES

Comfortable enough for long periods of use and an ANSI level A3 cut rating make our M500 glove the perfect choice for dozens of industrial applications. The light weight, 13 gauge seamless design is constructed using our exclusive Advanced Technology Armor® (ATA®) performance engineered yarns, with Lycra® fibers for a great fit. Some say it's the ultimate 13 gauge cut resistant glove.
